Since August of 1998, Adopt a Husky has expanded to include seven Midwest states and three Pacific Northwest states. Over 1100 Siberian Huskies have been placed in loving, permanent homes. The medical bills and administrative costs involved with our operation grow with each foster dog we take in. Car crash victims, pregnant mothers, abused animals, heartworm cases and puppy-mill shut downs are the most costly to deal with. We average over 100 dogs in foster care at any given time with a continual waiting list. Please help us raise funds to be used for continuing our ability to give good dogs a second chance.

Please join the volunteers and "family of adopters" of Adopt a Husky in an experience you won't forget. No matter what your monetary commitment is, you WILL make a difference in helping these deserving Siberian Huskies receive proper care and find a proper home.

**Can't make the hike this year?** Live a little too far away to participate or won't be in town on this date? We would love to have you join our list of "Satellite Hikers" this year! Simply send in your form with the words Satellite Hiker on the top, collect your pledges, hike with your husky in your neighborhood, and send in your pledges to the address listed on the top of the registration form. Our dogs will greatly appreciate your dedication!
